

Dear (MPs name), MP,

My name is (your name) and I am a constituent in your riding. (Tell the MP a couple of things about yourself or your family).

I have a family member with a disability, and I am very concerned about how Bill C-7 - the proposed changes to the medical assistance in dying law - will impact them. I would like to set up a meeting with you, my Member of Parliament, to discuss these concerns.

I understand that the COVID-19 pandemic is the Federal Government's top concern right now, and I thank you all for the work that is being done to keep Canadians safe and healthy. I would nonetheless appreciate if you could make time to meet with me over video conference or telephone at your earliest convenience. This is a pressing matter.

I can be reached at (your emails address) or (your telephone number) to schedule a virtual meeting.

Sincerely,

(Your name)
