THE PREMIER'S COUNCIL
ON THE STATUS OF PERSONS WITH DISABILITIES

The Premier's Council on the Status of Persons with Disabilities wants to hear from you!

The Government of Alberta has recently released a discussion guide and series of short videos providing more information on the Alberta Disability Assistance Program (ADAP) that was announced on February 5, 2025.

As the Premier's Council it is our responsibility to provide advice to Government based off the living and lived experience of the disability community in Alberta.

Premier's Council will be providing advice regarding the ADAP and wants to ensure that this advice accurately reflects what people with disabilities, service providers, and employers want to say.

Please join Premier's Council on **Monday September 8, at 5:00 p.m** for a virtual town hall where you can share your thoughts on ADAP.

In the virtual town hall, we will be working off the information provided in the Government's discussion guide and videos. Your voices, knowledge along with your feedback will inform the advice that the Premier's Council provides to the Government. As the Premier's Council is responsible for providing advice to the Alberta Government we do not hold decision-making or policy development power.

The town hall will take place via Zoom, we look forward to you sharing your questions or ideas in written or spoken form. ASL interpretation will be provided. Please do not hesitate to contact Premier's Council at pcspd@gov.ab.ca if you have any additional accessibility needs.
